Critical Care Review: Pearls Of Wisdom, Second Edition

Synopsis

Why waste time guessing at what you need to know for the critical care board exam? Maximize your exam preparation time with this quick-hit question and answer review. The unique question and single-answer format eliminates the guesswork associated with traditional multiple-choice Q&A reviews and reinforces only the correct answers you'll need to know on exam day. Emphasis is placed on distilling key facts and clinical pearls essential for exam success. Great for certification and re-certification, this high-yield review for the boards is the perfect compliment to larger texts for intense, streamlined review in the days and weeks before your exam.

Customer Reviews

Just little tidbits here and there for some quick review. I think the purpose would mainly be for rapid review of cold hard facts but for a more concise review, I would definitely use this in conjunction with other review source.

This is a beautiful book for a budding Pulmonary Critical Care Physician. Rightly stated ... They do have all the pearls we need to know for the MICU
