Anne Geddes 2014 Wall Calendar: Heartfelt

Synopsis

Enjoy one of Anne Geddes's latest photos each month in this beautiful wall calendar. The Heartfelt 2014 calendars mark Anne's return to the studio, creating images for which she is internationally renowned and inspired by a medium she has used in many of her beloved images: pure Merino wool. With these calendars, Anne has laid the foundation for a series of unique and creative concepts that will delight her countless fans globally. Since her landmark work in Pure and Until Now, Anne Geddes has used wool extensively in the props and costumes seen in some of her most loved photos. The use of pure Merino wool features even more prominently in all twelve images in the Anne Geddes 2014 Wall Calendar: Heartfelt, some of which are re-imaginings of Anne's earlier iconic shots. "When I first started going back to my archives, I was quite surprised how naturally I was drawn to wool from the very start. It is such a lovely, natural fiber to work with, and I am very happy with the way we have been able to produce so many different images. I have had such a lovely time creating these images, and I am now looking forward to working on a new idea I have for the next calendar." --Anne Geddes

Customer Reviews

Love seller and will always use. Love my calendar

I ordered two of these for Christmas presents. One for my Mom and one for my Mother-in-law. They both told me how much they are enjoying them. They were a huge hit. I find that really nice

Calendars are always great to give for Christmas gifts

When you need a calendar to keep your appointments and tasks on schedule, what better than to have the work of Anne Geddes to look at. Love her work and I thank you for carrying her work.

I have looved Anne Geddes work for years. I just love pictures of babies. Having a bad day just take a look at any of these pictures

It's surely beautiful and timeless! We are expecting our first baby and got it for my wife. Not just her but family and friends love it too!!!The pics and quality is beautiful. You can't go wrong with Anne Geddes.

This is a calendar plain and simple. Nothing fancy about the photography, cheap thin paper but it makes me smile in the morning (who wouldn't with faces like these!)

I love her photography. The babies are so cute it makes me smile every day when I look at it. I like that the squares are large enough to write in too.

Perfect gift for the collector
