Dancing Hands

Synopsis

Quality and performance in dental practice depend on well-trained hands, and this book presents a new paradigm in manual training for dentists and assistants. Manual abilities are a fundamental part of clinical competence and are essential to chairside teamwork in the dental treatment room. However, acquiring this complex competence is too often left to individual experience and bad habits set over time. This book establishes a standard for manual competence, which can be learned and trained. The author outlines the 12 basic principles that underscore the postures, movements, and communication elements necessary to support the best working methods. The dos and don'ts of practice, posture, and positioning equipment are all here.

Book Information

Hardcover: 296 pages

Publisher: Quintessence Pub Co; 1st edition (November 15, 2013)

Language: English

ISBN-10: 185097263X

ISBN-13: 978-1850972631

Product Dimensions: 1 x 12 x 8.8 inches

Shipping Weight: 3.6 pounds (View shipping rates and policies)
