Advancing Your Career: Concepts In Professional Nursing

Synopsis

Advance your career to the next level of professional practice! Build on your prior nursing experiences. Here are all the theories and concepts you need to progress from RN to BSN and beyond. From timely topics, such as JCAHO's safety initiatives, to healthcare reform and global issues, this popular text helps you continue your education and reach the next level of professional practice. Explore the challenges and issues that are changing the field of nursing. Then apply them to the situations you encounter in practice today . . . and to the challenges you'll encounter tomorrow. Perfect for both classroom-based and online courses! Access more online. Redeem the Plus Code inside new, printed texts to access a wealth of resources online at DavisPlus, including the Davis Digital Version, your complete text online, and learning activities.

Customer Reviews

The content is a little dry and a hard read. But the chapters are fairly short. The content is appropriate and the size of the book isn't overwhelming. The font could be a little bigger.

+ Information current and thorough. Organized and easy read.- Font ENTIRELY TOO SMALL.

Great resource! Updated and very valuable information!

The book I needed for class. Thank you!
