Diversify Your Mutual Fund Portfolio : Morningstar Mutual Fund Investing Workbook, Level 2

Synopsis

The Morningstar Investment Coach: Building a Diversified Portfolio allows readers to take the next step in their mutual fund journey. With discussions of topics such as gauging risk and return together, how to choose index and international funds, and the importance of knowing your mutual fund manager, this practical guide will help readers sharpen their mutual fund investing skills.

Customer Reviews

I purchased the 3 books in this series hoping to find a way to bring the invaluable content of morningstar.com to my classroom [where our WiFi is spotty] in a book. The books are quite weak -- a light version of the information contained in the Learning Center / Morningstar University. Save your money; visit the morningstar.com website.

Great Read
