The Modern Monologue: Men: Men Vol 1 (Audition Speeches)

Synopsis

The Modern Monologue in two volumes, one for men and one for women, is an exciting selection of speeches drawn from the landmark plays of the 20th century. The great playwrights of the British, American and European theatre-- and the plays most constantly performed on stage throughout the world--are represented in this unique collection. Monologues of all types--both serious and comic, realistic and absurdist--provide a dynamic challenge for all actors: the student, the amateur and the professional. A fuller appreciation of each speech is enhanced by the editors' introduction and commentaries that set the plays and individual speeches in their dramatic and performance contexts.
