## Customer Reviews

Good review. A little light in some areas, but it's not meant to be comprehensive. Good resource for boards part 2 and 3, as well as interviews. Pretty easy read. Pictures are good.

I've been a Board Certified Foot & Ankle surgeon for 15 years, and this book still helps me when I need it. A fantastic resource!

clear, concise, and to the point...makes for an easy read

Abbreviations should be keynoted
