Hell's Angel: The Autobiography Of Sonny Barger

Synopsis

Narrated by the visionary founding member, Hell's Angel provides a fascinating all-access pass to the secret world of the notorious Hell's Angels Motorcycle Club. Sonny Barger recounts the birth of the original Oakland Hell's Angels and the four turbulent decades that followed. Hell's Angel also chronicles the way the HAMC revolutionized the look of the Harley-Davidson motorcycle and built what has become a worldwide bike-riding fraternity, a beacon for freedom-seekers the world over. Dozens of photos, including many from private collections and from noted photographers, provide visual documentation to this extraordinary tale. Never simply a story about motorcycles, colorful characters, and high-speed thrills, Hell's Angel is the ultimate outlaw's tale of loyalty and betrayal, subcultures and brotherhood, and the real price of freedom. Due to copyright restrictions, this eBook may not contain all of the images available in the print edition.

Customer Reviews

I remember a thrilling experience during my childhood in the mid-sixties: while driving to San Francisco, our family car broke down on the Bayshore (101) Freeway. My parents were startled

when two long-haired, bearded, beSwaztica'ed patch-holders pulled up on their loud, chopped Harleys. The bikers spoke briefly with my dad, then performed some minor mechanical magic on our carburetor. They accepted no payment for their assistance, but left us a business card featuring their winged deaths-head logo and words to the effect: "You have been assisted by... the Hells Angels Motorcycle Club. When we do right, no one remembers. When we do wrong, no one forgets." At least one person has always remembered. Within a mere few years, I had a stripped-down Hawg of my own, and began acquiring tattoos and speeding tickets. While I was never a one-percenter, it seemed during that tumultuous era that *all* motorcyclists were judged "guilty by association" with the legendary Hells Angels. Whether describing doing right or wrong, HAMC president Sonny Barger minces no words in his hard-riding, fast-reading biography. Nor does he pull any punches. He explodes the myths perpetuated by grade-B biker-flicks and trashy "wannabe" publications, but unapologetically depicts the counterculture without romanticizing it. The Angels we meet in these pages are neither ravenous, rapacious Huns nor iron-steed-mounted rescuers of stranded citizens. Barger's raw writing style, anecdotes, and numerous photos give his book genuine, gritty, outlaw character. It should appeal to one-percenters, citizen-bikers, and even to the "cagers" who fear and loathe them.
